Product / Service: Annual Subscription — Studio Pro

Complaint Description

I cancelled my Studio Pro subscription within the 14-day cooling off period on 11 March, but I have still not received my refund of Rs. 8,999. Your policy page says refunds are processed in 7 working days. It has been two weeks. I would like my money back please.

Issue Details

Cancellation was correctly recorded on 11 March. The refund request was created but is sitting in the finance queue awaiting approval and has not been actioned.

Resolution Provided

Finance team has been asked to prioritise the refund. The customer has been told the refund is under review and will be confirmed once approved.

Escalation

Not yet escalated, but the delay is outside policy.

Supporting Information

Cancellation confirmation email attached.
